

ABOUT US

Gajanana Builders and Developers is a real estate company that specializes in developing residential properties in Pune, India. They offer 2 BHK and 3 BHK flats in various locations throughout the city. Their properties are designed to provide modern amenities and comfortable living spaces. The 2 BHK flats typically range from 800 to 1200 square feet in size, while the 3 BHK flats range from 1200 to 1800 square feet. Each flat is designed with careful attention to detail, with high-quality materials used in construction.
